Poster Guidelines

► Poster presentation

Poster viewings will be held from Sunday, 4 September to Wednesday, 7 September 2022 in Hall 4.1 of the CCB Basel.

These sessions offer an effective forum for the exchange of information and a means to communicate ideas, research, and programmes. Poster authors are required to be available for questions and further information at their poster board **during the morning session break (09:30 – 10:30)**.

As an example; Poster Session Dermatopathology *PS-11-005*:
► *PS* = poster, *11* = session, *005* = abstract

At this congress, posters will be grouped by topic for the convenience of those attending the sessions. Posters will be changed daily and are on display for the entire day of the respective poster session. They will be sorted by topic and will be numbered within the respective topic.

The poster exhibition is open to all conference delegates on

IN ADDITION to the presentation of their physical poster(s) all abstract authors with their registration fee paid will be invited to upload a digital version of their poster (E-Poster).

► Contact

If you have any questions, please contact ecp-basel@cpo-hanser.de.

► Poster format

The entire poster can have a maximum size of 160 cm high x 121 cm wide (**portrait style**, see image below). The poster does not necessarily have to fill the entire working area.

Material to attach the posters to the poster walls is available at the poster counter in the poster area. Double-sided tape will be provided to put up posters. We recommend **light paper posters rather than fabric or heavy weight posters**, in order to make sure that posters don't come off the walls.

For the font of your poster, it is recommended to use large, semi-bold letters, at least 5 mm high. The text should be easily legible from a distance of 2 - 3 m.

Poster authors are requested to disclose potential conflicts of interest regarding the poster presentation at the bottom of their poster. This will allow the audience to take potential conflicts of interest into account when assessing the objectivity of the poster.

Our staff at the poster counter in Hall 4.1 of the CCB Basel will be happy to answer any questions you might have.
